To Whom it May Concern

Subject: Letter of Recommendation

We highly recommend Ms. Lorna Bracewell as both a presenter in workshops and as a performer in concert. She is a true professional and adapts her program to your stated needs.

Ms. Bracewell presented two outstanding concerts and several workshops at Liberty County High School. When she discussed the symbolism of lyrics she also taught paragraph structure and then led a discussion of American History.

Our students were appreciative of Ms. Bracewell's performance. They found her refreshing and hip. Her laidback style and winning personality impressed our students. We hope she will have the opportunity to return in the future.

Both Lorna and her agent, Cliff were awesome during their small group session. The students are still talking about the experience days later.
